The Side Hustle uses a Behringer XR-18 mixer and our own In Ear or Floor Wedge Mixes.

We provide a direct out from our SPLITTER in a color coded Snake to go direct to Front Of House.

MICS go DIRECT to OUR SPLITTER Channels 1-4 - then direct out to FOH

INSTRUMENTS go DIRECT to OUR SPLITTER Channels 5-7 - then direct out to FOH

DRUM MICS all go through their OWN snake to Ch 8 through 14 for our IEMs. Feel free to use our feeds for your FOH mix.

All VOC Mics to SH Mixer -- VENUE FOH FROM SH Feed.

Lead Singer, Lead Guitar, Bass & Drums all have IEM or own monitor mixes routed through our mixer.

FEEL FREE to connect your TalkBack mic to CH 8 of our Splitter so you can talk to us.
